

On March 19, 2010, a gathering of Commissioners took place at the DCR office in Northampton MA. All were present except Mike Misslin, Bill Pettengill, and Gary Moore. **Because the State of Massachusetts was not represented**, Commissioner Barbara Ruhe, acting in her role as an attorney, told us that we did not have a meeting. Therefore the usual transactions could not take place.

Sometime earlier we had invited Janet Patev, of the Corps of Engineers to give us a presentation about what's going on at the Ball Mountain site in Vermont. Janet is the Project Manager at Ball Mountain and her presentation was excellent. She answered many questions with expertise and she had a slide program which helped a lot in our understanding.

Afterward, Denise, Robert and Polly went to the Bank of America in Greenfield so that the names of Denise and Robert could be put on the books.

Our next regularly scheduled meeting will take place on June 25, 2010. (After the meeting we will adjourn for dinner in honor of Polly's retirement – more information later).
